

High School Photo Contest: Student Rules

1. Photos may be either black-and-white or color.
2. Original photos may be cropped for better composition. Minimal manipulation of digital images with the intention of accurately rendering the subject is acceptable e.g.: small adjustments to brightness, color, color balance and/or sharpness, is acceptable.
3. The student must take the photo and each student is allowed to enter only one photo. Group work is not allowed.
4. Choice of "Natural," or "Contrived," category for entry
5. Essay of 250 words or less describing the physics in the photo. The essay should have a title and must be written by the student
6. Upload a jpg, png, or jpeg file of the photo (High Resolution).
