

How to Edit Your Registration Selections

- * Go to the AAPT website: aapt.org to the upper right hand side of the screen and select "Sign In"
- * Select "View and Edit Account Information."
- * On the next screen, enter your I.D. number and password
- * On the next screen at the bottom, select "View Other Registrations."
- * On the next screen, select the meeting that is highlighted (2015 AAPT Winter Meeting...)
- * Click on that link and proceed to change your registration
- * For changes to your registration type or special events, click on the "Add/Remove Functions" button. To add or remove workshops, click on the "Change Selected Sessions" button
