**Email to : [childcare\\_grant@aapt.org](mailto:childcare_grant@aapt.org)**

Small grants of up to \$400 are available to assist AAPT national meeting attendees who are bringing small children or who incur extra expenses in leaving them at home (i.e., extra daycare or babysitting services). Applications must be received by **December 1, 2014** to be considered by the Child Care Grant Selection Committee. In the event that the number of requests for grants exceeds the funding available, preference will be given to applicants in the early stages of their careers and to those whose participation in the meeting is critical to their professional development. If you are interested in sharing childcare, please visit the day care share list form located on the particular AAPT national meeting website to connect with other parents.

Recipients will be notified upon approval of their application on or before Dec.10, 2014. Checks will be dispersed once the recipient confirms her/his contact information with the AAPT office.
