

Application for AAPT support for Workshop/Conference/Meeting

AAPT has money for a limited number of small grants for workshops/conferences/meetings. These grants are for aid in presenting an event, not for simply attending. This year the size of these grants will range from \$200 to \$1,200. Please complete this application and attach a document that addresses the criteria listed below. Deadline for applications is June 9, 2017. The AAPT Philanthropy & Special Projects Committee will meet shortly afterwards to consider applications so please keep this in mind when applying. NOTE: Applicant must be an AAPT member.

Name(s) of AAPT member(s) submitting request _____

Title of Workshop/Conference/Meeting _____

Location and Date(s) of Workshop/Conference/Meeting _____

Target Audience of Workshop/Conference/Meeting _____

AAPT membership served by Workshop/Conference/Meeting _____

Total dollar amount requested _____

Are you willing to accept a smaller amount than requested? (yes or no) _____

Do you belong to an underrepresented group, or do you come from an institution whose students are predominantly underrepresented? Please explain:

Please address the following criteria in an attached narrative (please limit to two pages or less)

Is at least one of the planners of the Workshop/Conference/Meeting an AAPT member?

How is this Workshop/Conference/Meeting related to AAPT's mission of advancing physics education?

What level of physics class is appropriate for this Workshop/Conference/Meeting? (e.g. HS, introductory, etc.)

Are all levels of institutions that addressed in the event involved in the planning and participating?

Is there an opportunity for AAPT to recruit new members as a result of this event?

How will you make a final report to AAPT Philanthropy Committee on the event? (Turning in evidence of the work such as slides from a talk may be sufficient.)
