

Hashim A. Yamani Membership Grants

Each year, AAPT awards several two-year Hashim A. Yamani AAPT Memberships, which are regular electronic memberships and include electronic only access to copies of the American Journal of Physics, The Physics Teacher, and Physics Today. These grants are supported by the Hashim A. Yamani Fund, which was endowed in 2011 by generous contributions from several colleagues and mentees of Dr. Hashim A. Yamani, a prominent and well respected physics educator, researcher, and public servant in Saudi Arabia. An individual eligible for a Yamani Membership must be either an undergraduate senior who is planning a career teaching physics in his or her native country, or a graduate student who is in his or her last two years before receiving his or her final post-baccalaureate degree and who is planning a career teaching physics in his or her native country, or an early-career professional in his or her first five years of physics teaching in his or her native country. Citizens of any

country in the world are eligible for support but citizens of developing countries in such areas as the Middle East, Africa, and Southeast Asia will have priority over citizens of developed countries in such areas as North America and Western Europe.
