

# Cvent Attendee Hub™ Event App Guide

# **Download the App**

To access your event's app, click the "Open the App" button that appears in the mobile app invitation email you were sent. It is recommended to open this email on your mobile device.

#### **Open the App**

This button will take you to your device's app store where you'll be prompted to download the Cvent Events app. If you did not receive an email, you can download the Cvent Events app from your device's app store.

# **Logging In**

Once downloaded, open the app. If you used the link in the email, the app should open to your event. If not, you can search the name of the event or use the Event ID (listed in the email) to find the event.

You may be prompted to log in before downloading the event to the app. After entering your first name, last name, and email address, a verification code will be sent to your email and/or mobile number.

# **Troubleshooting Log In**

- Ensure you are entering the same email you registered with for the event.
- Check spam and junk folders for the verification code email.
- The email or text should be triggered in less than a minute.
- If you still do not receive the verification code, contact the planner.

If you do need to log in again, you will be sent a new verification code to enter.

# Navigating the Event App

There are four main navigation tabs at the bottom of the app you can use to access different information about the event.

## **Home Tab**

This is the homepage of the event app. You will be able to see live and upcoming sessions, featured sponsors, speakers, and/or exhibitors, and other items related to the event.

You can click into an individual session, speaker, or exhibitor to view more information. You can also use the quick link pills at the top of the page to navigate to other pages in the app.

## **Schedule Tab**

This tab links to two pages: All Sessions and My Schedule

#### **All Sessions**

The All Sessions page lists the sessions available for you to attend during the event. They are listed in the order they occur. Use the filter pills at the top to filter through sessions or use the search icon to search for a particular session.

You can also add or remove sessions from your personalized schedule on this page if modification is allowed.

## My Schedule

All recorded sessions will appear here for viewing after they have occurred live. To review any session you missed, access this page.

You can click on a session name to access more information about the session, including the location of the session, speakers, sponsors, and additional content and links.

# **Profile Tab**

The profile tab contains several features related to the event.

#### View and Update Profile

Click on View Profile to view your event profile. If allowed, you can make edits to your profile. Add a headshot and bio, update your personal information, and choose your visibility settings so other attendees can see you and learn more about you.

## **More Tab**

All other information about the event can be found in the More tab. This includes information about speakers and exhibitors, the event venue, and any additional event materials.

## **Digital Badge**

The Digital Badge contains your registration information and a QR code that can be used to scan in and out of the event and sessions, and by exhibitors onsite.

You may also access the digital badge from the homepage.

## **Account Settings**

Update settings for the app here.

## Surveys

Submit feedback about the event and sessions here.

#### **Attendees**

If the event you are attending has this page, you will be able to see a list of all attendees who have made themselves visible on this list. You have the option to go visible or keep yourself hidden from this list.

#### **Game Center**

If the event you are attending has gamification features turned on, you can join the game here.

Within this tab, you will see a variety of challenges you can participate in. When you click into a specific challenge, you will see the rules and how to collect points.

You can also view a leaderboard of the top Game players by navigating to the Leaderboard page within the Game.

# **Engaging with Sessions**

Some sessions may have engagement features for you to participate in, such as Live Q&A and Polling. You can access these features from the session page.

#### Live Q&A

Submit questions using the Live Q&A feature. Click the "Ask a Question" button and type your question.

See and upvote questions from other attendees and read responses to questions that have been answered.

#### **Live Polling**

Answer poll questions by selecting one or multiple answers. After you submit your response, see how your answer compares to other attendees'.

**Exhibitors and Sponsors** 

listed by sponsorship level.

## **Exhibitor Profile**

Click into an exhibitor/sponsor to view more information about them.
