Poster Presentations

Each poster session presenter will be provided with a 4’ x 4’ poster board area (stick pins will be available). The board will indicate the poster number in upper right or left corner. Presenters are responsible for mounting their own materials. Be sure to have your poster up at 8:00 a.m. the day of your poster session. It is the presenter’s responsibility to take down their poster immediately at the end of their session. Posters left up past that time will be discarded.

All illustrations, charts, etc., to be posted should be prepared in advance as materials for these purposes will not be available at the meeting site. AAPT will provide a reasonable supply of push pins, but we suggest authors provide their own if possible.

No commercial activities or any advertising may be displayed on the posters. Non-compliance with this rule will result in the poster being removed.

Requests for extra space to accommodate models or equipment should be made at the time of abstract submission in the “Conflicts/Comments” box on the abstract form and are subject to approval.

Authors may wish to bring extra copies of their data and conclusions. No duplication facilities will be available through AAPT. Authors may also wish to provide sign-up sheets for attendees who may wish additional information, reprints, etc.

Posters will be arranged by topic on one of three meeting days (Monday, Tuesday or Wednesday) and remain up the full day. Approximately two hours each of those days is set aside for poster presentations when no other sessions are scheduled. The authors need not be present the entire time but if not, should post the hours when they will be at their poster.

AAPT would like to collect and archive all presentations from our National meetings. Please forward a copy of your presentation to webmaster@aapt.org.
