Dear Exhibitor,

We cordially invite you to participate as an exhibitor and virtual sponsor of the AAPT Virtual Winter Meeting to be held January 6 - 8, 2022.

The AAPT Virtual Winter Meeting will showcase your products and services at one of the largest and most prestigious gatherings for introductory and advanced-level physics teachers as well as researchers operating in the world of physics and physics education.

As always, AAPT will work to maximize your success as an exhibitor by helping you engage with the physics education community, learn about the latest resources for your business, and establish new relationships while strengthening existing ones. We are applying lessons learned from previous virtual meetings to continually increase attendee interaction with exhibitors. Also, if the packages described in this prospectus don't meet your needs, I will gladly work with you to customize the right solution.

This handbook provides you with information to prepare you for participating as an exhibitor and sponsor of this virtual event. Please read through these pages carefully and if you are interested in reserving a package, fill out the forms for the level of participation that makes the most sense for your organization.

Please contact me anytime for more information. We would love to have you be part of the AAPT Virtual Winter Meeting!

Sincerely,

Dan Cooke
