

2025 U.S. Physics Olympiad Qualifiers

The following 524 students qualified to take the USAPhO exam by achieving a score of 15 or higher on the $F=ma$ exam.

Please note that not all qualifiers appear on the “Honors and Distinction List.” Some students were ineligible to compete for a spot on the U.S. Physics Team, some chose not to take the USAPhO exam, and others participated but scored below the threshold of 10 points out of 150.
