

## **2026 U.S. Physics Olympiad Honors and Distinction List**

The United States Physics Olympiad (USAPhO) recognizes the outstanding achievement and dedication of high school students who excel in one of the nation's most challenging physics competitions. In 2026, 316 students earned distinction for their participation and performance on the USAPhO exam. This list celebrates their commitment, perseverance, and deep engagement with physics.

Award designations reflect levels of performance within this group of 316 students:

- Gold Medal – Top 12%
- Silver Medal – Next 15%
- Bronze Medal – Next 20%
- Honorable Mention – Next 25%

Distinction for Commendable Performance – Remaining students whose problem-solving efforts and dedication merit special recognition

All students listed here faced a challenging exam and demonstrated strong interest in physics through their preparation and participation. We congratulate each of them on their achievements and thank them for their dedication to learning.
